## **Intermediate status of the KÖMMERLING Better World Stiftung fundraising campaign for Ukraine**

Dear all,  
Even four weeks after the start, our humanitarian fundraising campaign is going very well.

The so-called donation clock has "cracked" a new mark with **402,833 euros**.

This is an incredible success for us and makes us very grateful to all donors!

The aid fund is well filled and it enables us to do good things with the money for some time to come.

We would like to thank the companies Andersch AG, Haug & Schöttle GmbH Kunststoff-Fenster-technik, Spedition Bold GmbH, Groven Kunststoffrahmen BV, Sofiplas portes et fenetres, the Kirchberg workshop Pirmasens, Sympatel Telemarketing, the Autohaus Reinhard, the FSE for current generous donations Frey GmbH and Dr. Gunter Paufel!

Thank you very much for two large donations to MEWA Textil-Service AG and to Omar Ahmed from The 87 Shoe Company in Leimen near Pirmasens.

A very special thank you goes to Wasgau AG in Pirmasens and its board member Elisabeth Promberger.

In cooperation with the cities of Pirmasens and Zweibrücken and the district of Südwestpfalz, the retail company distributed 400 welcome packages with non-perishable food and hygiene items to Ukrainian refugees and also donated 10,000 euros to the foundation Kömmerling Better World Stiftung.

We continue to deliver to Ukraine because the need is bigger than ever.

Thanks to our local colleagues, we can provide support exactly where it is needed most.

In order to be able to help the people on site for as long as possible, we are still dependent on donations. Every cent goes to the people of Ukraine! To the donation account:

We would like to thank everyone for their support so far and would be happy to keep you up to date on the development of the relief effort.
