

Intermediate status of the KÖMMERLING Better World Stiftung fundraising campaign for Ukraine

Dear all,

We are happy to give you a short update on our humanitarian fundraising campaign for Ukraine.

Our relief effort is still in full swing. Our tenth aid transport was unloaded and distributed in Kyiv and other cities in the past few days. Transports number eleven and twelve are currently being prepared.

The hands of our donation clock are currently at 424,659 Euros.

We would like to thank SympaTel Telemarketing GmbH and the Gossler, Gobert & Wolters Group for their generous donations!

Class 6c of a primary school in Berlin-Steglitz has launched a really great fundraiser. There, the children raised a fantastic 798 Euros in a self-organized bake sale, which they would like to donate to our Ukraine aid campaign.

Many thanks to the children, their parents and the class teacher!

The need remains huge and the local people are still dependent on support.

We would like to thank everyone for their support so far and would be happy to keep you up to date on the development of the relief effort.
