

## **Intermediate status of the KÖMMERLING Better World Stiftung fundraising campaign for Ukraine**

Dear all,

We are happy to give you a short update on our humanitarian fundraising campaign for Ukraine.

The so-called donation clock is currently at 442,697 Euros.

We would like to say a big thank you for two recent major donations:

Consulting4IT GmbH contributed 12,500 Euros with a collection from its employees and the generous rounding up by its management.

The colleagues from our subsidiary profine Italia also collected and were able to contribute 1,126 Euros for the campaign.

The campaign by our partner 1. FSV Mainz 05 was outstanding. The special shirt of the last Bundesliga match day in a limited edition "You'll Never Walk Alone" was very well received by the fans and was completely sold out after just one day. For each shirt, 10 euros from the sales proceeds will be donated to the foundation.

Not only because of the proceeds from donations, but also in terms of our partnership with the club, we find this a very outstanding campaign. Here is the video of the shirt:

In order to be able to continue to support the people in Ukraine, the KÖMMERLING Better World Stiftung is dependent on additional donations. Here is the donation account:

We would like to thank everyone for their support so far and would be happy to keep you up to date on the development of the relief effort.
