

DONATION CAMPAIGN FOR UKRAINE

In view of the dramatic situation of the Ukrainian population, we have decided to launch a fundraising campaign and, as a company, to organise transportations of donated goods. Since we have a plant in Zaporizhzhia, we feel a very special obligation to help the people in the country.

This gives us the logistical prerequisites to gain direct access to the country and the affected population.

We ourselves will contribute 150,000 euros for the timely and targeted purchase of goods that are most urgently needed locally.

We would be very pleased to have your support.

We would like to call on all of you to make a donation as well.

PLEASE HELP US TO HELP.
